## Afternoons and Routines

As you may be aware in year 6 we structure the year group slightly differently. In the mornings we have three numeracy and literacy groups and then we split the children into three groups of 20 for their afternoon work. ### Homework

Literacy and numeracy homework will go out on a Friday and must be in on the following Wednesday. If your child is away on the Friday it is their responsibility to see their teacher to get more homework. We do not set a lot of homework and it will usually be revision of the work done that week in class.

Your children will also be given spellings to learn and they will be tested
