

St Joseph's Primary School

Seacole Class – Autumn One 2017

This term we will be covering the following topics:	
Literacy	In Literacy, we will begin our phonics lessons this half term. We will look at the first sets of sounds and their corresponding letters. We will also learning how to form letters correctly.
Mathematics	In Mathematics, we will be counting accurately. We will represent each number using objects, practise writing the numerals and order numbers. We will also begin to identify 2D shapes and notice shapes in the environment.
Topic	This term's topic is 'All around me'. We will be getting to know each other and the world around us. We will be experimenting with our senses and also discovering what happens as the seasons change.
The Way, The Truth & The Life	Our topic is God's World. We will learn about God's world and how God taught us to look after his world. We will also discuss what makes us special and different and how God loves every person.
Other	<ul style="list-style-type: none"> ●ICT – Keyboard and mouse skills ●Understanding the World – Senses and seasons ●PE – Getting ready for PE and simple games ●Expressive Art and Design – Portraits and seasonal picture ●Music – Beat and tempo ●PSHCE – Beginnings
You can help your child by... <ul style="list-style-type: none"> ● Providing opportunities to count, read and write/draw in everyday contexts. ● Encourage your child to be more independent when getting ready for school. ● Encourage your child to recognise and write their name regularly.
