

## **Key information for this year.**

### **Spellings**

Spellings will be handed out on a Friday and there will be a spelling test on the following Friday morning. Please practice these at home.

### **Homework**

Reading books will be sent home on a Friday and they should be returned on Tuesday.

Homework will be set on educational websites for children to complete on computers or tablets. We will be providing logins for each site over the following weeks. We encourage any additional work at home to be brought into school to create a class home learning book.

### **Swimming**

We will be swimming on a Wednesday morning at Southmoor.

Children must have a towel and swimsuit.

Children will need a coat for if we walk there or back from Southmoor.

### **Science:**

Science will be on a Thursday afternoon with Mrs Pearce in the Science lab.

Thank you for your support,

Mr Taylor and Mr Harvey
