Dear Parents/Carers

We have completed our first full week in school and all the children seem settled and happy. Can I please remind parents to make sure all their children's uniform is named as we already have a collection of unnamed sweatshirts and cardigans. We make every effort to try and find the owner so if your child does come home without an item of clothing, please let us know as soon as possible so we can look for it.

*Mrs Simm
Head teacher*

We have held meetings on Thursday and Friday morning this week to explain our new Passport Books that the children will bring home in their book bags today. As we explained at the meeting this initiative is to encourage the children to take responsibility for the things they need for school and how they behave. We believe that this will have a positive impact on their future as they journey through school life.

Mark Riley, our Outdoor Learning teacher has returned this week and he has worked with the children in Nursery and Year 1. The children really enjoy working outside with him and it has a very positive impact on their development. This year we intend to develop the outside area more to allow the children every opportunity to take their learning outside.

Flu Immunisation consent forms were sent home this week to all classes (excluding Nursery) and also a Health Questionnaire to Reception parents. Can we please remind you to return them next week if you have not already done so.

On Tuesday 3rd October the photographer will be in school. Letters will be sent home next week with more details. If you would like brothers and sisters who attend the Infants or Day care photographed together you will need to send the request slip at the foot of the letter back to school by Friday 29th September.

Friday 6th October is our Harvest Festival celebration and we would be most grateful if you could donate an item of food - non perishable - which will be collected by the City Mission to distribute amongst the elderly and homeless.
