

Dalton St Michael's C.E. Primary School

Newsletter 2

September 15th 2017

This week our Nursery children have been making and listening to different sounds as part of their Phonic lessons. They particularly enjoyed making sounds outside using beaters.

Year one and two read the story of 'The Little Red Hen'. They used a pestle and mortar to grind their own rice flour, oats and wheat. They retold

the story in their own words too. They plan to tell us the story when we celebrate Harvest at our next last Friday of the month Collective Worship in Church.

Year three and four have continued their learning about rocks by finding out about the layers of soil and rock under our feet. To their delight, they used food to demonstrate the layers which they were able to take home to eat after their tea!

It was particularly pleasing for Miss Henderson to be told by a teacher from Lathom High School that our children's behaviour and attitude was impeccable! Well done to all year five and six.

Stars of the Week

Reception: **Tyler** for 'keeping the pulse' during different songs in music time

Year one: **Kendall** for finding 1 more and 1 less for numbers past 10

Year two: **Ellis** for finding 10 more and 10 less for numbers to 1000

Year three: **Amelia** for beautiful handwriting in her Science book

Year four: **Oliver** for confidently answering lots of questions in all lessons

Year five: **Maya** for being a great ambassador for Dalton school at Lathom High School

Year six: **James** for also being a great ambassador for Dalton school at Lathom High school

Attendance

**Year one and two
with 100% again.
Well done!**
