Parents Evening

.....forms to request your timeslots will be sent home next week.

Please return them to the office as soon as possible. Thank you

School Meals

I would like to say thank you to so many of you for paying dinner money for the half term, and also to those that have promptly paid for the first two weeks of term.

It really does help reduce the number of letters sent home if you pay promptly.

To others, please do not let your dinner money mount up. The Governing Body have stated that debts should not exceed £30 before payment is made....which now is less than 3 weeks. The longer it is left the harder it becomes. Thanks again, Mrs Borland

Always Children

The children have had a fantastic second week back and all have been wearing their always badges with pride around school.

The new look Golden Time has gone down very well with the children. A huge thankyou to Miss Adamson, Mr Collins, and Mrs Potter for organising all the activities and ensuring each child was in the right place and the right activity for Golden Time.

New Build Update

We have hopefully, finally, made it to the starting line and the new build begins construction this Monday. The build is currently on schedule and the plan is still to complete for the September intake 2018.

Bat Walk.....

The walk called Bats on the Escarpment will take place on Albert Promenade on Friday 22nd September from 7pm (until around 8pm - 8.30pm). It is done specifically on a Friday in the hope families might attend and allow children to stay up a little later at the end of the week.

The session is led by staff from Calderdale Countryside Service and will take the form of a short talk (with special guest Mr Bat!) followed by a walk through the woodlands of Scarr Wood (and possibly Long Wood) looking and listening for bats (with bat detectors) and other nocturnal wildlife. It is hoped the session will introduce people to some of the hidden wildlife of the area - but that is dependant on the bats and the weather!

Staffing updates 2017

We thought it might be useful to let you know the adults who will be working in each class so you know who to speak to if the teacher is on PPA or absent.
