Dorrington CE Primary School -PE and Sport Grant

What are the school's visions and aims for PE and School Sport?

The provision of high quality PE and school sport is underpinned by the schools vision and Christian values. We value:

- **Respect-** PE and School sport is an excellent opportunity for children to develop respect
- **Independence-** Children have the opportunity to develop a range of skills independently
- **Friendship and Trust-** Children have the opportunity to develop friendships and build trust through paired and group activities in School sport
- **Communication-** PE and School Sport is vital for children to develop the skill of communication, particularly in relation to team sports
- **Resilience-** PE and School Sport can provide a great opportunity for children to develop resilience by encouraging children to have a positive mind set and never give up.
- **Enjoyment of learning-** Enjoyment is a key aspect of PE and School Sport. We aim to give children a range of opportunities that are fun and enjoyable and will lead to a lifelong commitment to staying healthy and participation in school.

These values will be used to underpin the following aims for PE and School Sport:

1. High quality provision of PE within school, with staff that have a secure subject knowledge and are confident in delivering PE
2. Increase participation rates in a range of sports

3. An increase in competitive school sports
4. A physical education programme that is fully inclusive
5. A range of alternative sporting activities
6. Partnership work on PE with other schools and local partners in order to share best practice
7. Greater awareness of pupils about healthy lifestyles, including the dangers of obesity, smoking and other activities that undermine pupils' physical well-being.

What is the School Sports Premium?
