

Long term plan 2017 – 2018
Whole school overview

The Burley and Woodhead CE Primary School curriculum is bespoke to the school. Designed by staff in summer 2017, it incorporates elements of different subject areas into a creative curriculum which takes children on a learning journey through the term (half term in reception). Trips and extra experiences complement the children’s learning as they work towards a showcase event at the end of their topic. Learning is brought to life as children are taught the skills of many different jobs such as authors, chefs, curators, explorers, inventors, philosophers, scientists, etc. through the integrated curriculum.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Whole school focus	Learning me	Global me	Safe me	Healthy me	Creative me	Collaborator me
