

Year 5 and 6 Hockey Festival

19/09/17

Seven children from Hillside took up the opportunity to take part in a hockey festival held at Newsome High School, run by SPIN. The children were shown the basic skills of hockey, how to hold the stick, how to position your body when running and tackling and passing. The children took part in different activities to help them improve their skills and then they played in three different types of games. All of the children enjoyed their experience and wanted to play more.
