

Let's keep kids safe online

## Online safety workshop

**Thursday 23rd November**

**1 pm – 2pm**

The **hour-long workshop** will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

Areas the workshop will focus on are:

- Introducing them to the O2/NSPCC partnership & why it came about
- Exploring together what children are doing online
- Identifying some of the risks children face online & ways parents can respond to them
- Exploring some of the most common apps/games/websites children use
- Learning about some practical tools and resources to help families stay safe online
- Conversation starters so parents can begin to talk to their own children about their online world
- Signposting to where they can get more information on the tech tools available to help with online safety

# EVERYONE WELCOME
