

YEAR 6

AUTUMN 1 and 2

This term we are learning about:

Beowulf

The history of sea voyage

Before our main topics kick off, we'll be looking at the history of the school and comparing Victorian school life with modern day, including dressing up on Wednesday 13th September 2017.

Then we will be exploring Invaders and Settlers, the history of story-telling and looking at the Beowulf poem in various forms.

After half term, we'll be looking at the history of boats and travel and going to an exciting day at the Tech Deck Education Centre on 31st Oct where we will investigate boat building materials and build a model boat!

We also have our Film Festival trip to Aldershot Cineworld on Nov 10th, linking to Growth Mindset and PSHE, watching The Eagle Huntress.

It's a busy term with Bikeability in Nov and ThinkSafe at QE Park in Oct!

Help at Home:

Times tables / Mathletics

Read about Anglo-Saxons / Danes

Read about the history of boats

Do your own research into Invaders /
Settlers
