

# YEAR 3

## AUTUMN 1

### This term we are learning about:

The Stone Age  
Rocks and Soils

At the start of term we'll be looking at the history of the school and comparing Victorian school life with modern day, including dressing up on Wednesday 13<sup>th</sup> September 2017.

Then we will spend the rest of the half term finding out about life during the Stone Age, which begins with our exciting trip to Stonehenge. We will be reading lots of books, but particularly focussing on Stig of the Dump by Clive King and Stone Age Boy by Satoshi Kitamura. We will create a class museum of rocks and fossils.

In Maths we are concentrating on the key skills of place value, addition and subtraction.

### Help at Home:

Times tables / Mathematics  
Practise spellings.

Read about the Stone Age.

Visit other prehistoric sites such as  
Avebury Stone Circle.
