

YEAR 2

AUTUMN 1

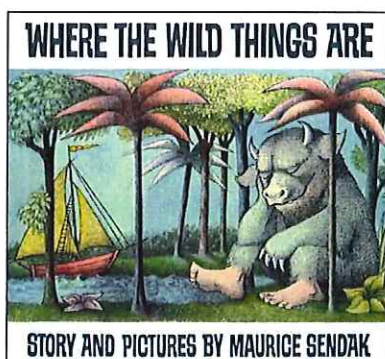

This term we are learning about:

Going on adventures

At the start of term we'll be looking at the history of the school and comparing Victorian school life with modern day, including dressing up on Wednesday 13th September 2017.

Then we will spend the rest of the half term exploring the book 'Where The Wild Things Are' and using it as a learning tool to find out about plants and creating maps in Geography. We will be visiting Durleighmarsh Farm and Queen Elizabeth Country Park to start our adventure off! At the end of this topic we will be planting our own tree in the school grounds.

In Maths we are concentrating on the key skills of place value, addition and subtraction, beginning to work with numbers to 100.

Help at Home:

Number facts/ Mathletics
Practise spellings.

Experiences with growing plants and vegetables.
