Dear Parents

TWITTER!

We began to use Twitter last year as a source of sharing photos of events, news and for generally keeping parents more 'in the loop.' So far, 135 parents are following us on Twitter, but we would like to make it far more!

Twitter enables us all to see and hear about a whole range of different things that happen in school that you may not usually see - great art work, superb dancing etc, and we also use it to send out reminders to parents.

Our Twitter account is secured so only those people who we authorise can see our Tweets. What's more, no one (not even authorised members) can retweet our messages. This is as safe as we can make Twitter. ***Of course, if you have signed to say that your child's photo cannot be taken, this will still be the case as it would for the website or any other media.***

To follow us on Twitter is a two-fold process:

- 1) Follow us @CliffeWoodsSch on Twitter
- 2) Email CliffeWoodsTwitter@Outlook.com and give details of:
 - your name and your Twitter name
 - your child's name and their class
- 3) Once we have received both the follow request and the email we will ensure that the request is legitimate and approve it.

This may seem long-winded but, again, this ensures that we follow due diligence when accepting followers.

We look forward to Tweeting to you soon!

Yours sincerely

Mr T Muggridge
