School Direct Information Event

Wednesday 4th October 2017 starting at 6pm, Pudsey Primrose Hill Primary

Are you interested in a career in Primary Teaching?

Pudsey Primrose Hill, a strategic partner of Noctua TSA, are the Lead School for School Direct (Salaried) and School Direct (Fee Paying) and work in collaboration with Educate Teacher Training.

We have a partnership of schools across Leeds and Bradford who work together to deliver the School Direct route into primary teaching. We have created a 'learning on the job' style programme with trainees allocated to one of our partnership schools for the academic year. Trainees carry out a six week second school placement, also in one of our partnership schools.

We offer both Salaried and Fee Paying programmes and have delivered Initial Teacher Education for over 8 years.

The Information event will begin with a short presentation at 6pm followed by the opportunity to ask questions and speak to school direct trainees past and present.

If you are interested in attending the Information Event on **Wednesday 4th October**, please book a place using the contact details below. We look forward to meeting you there!
