

WOW Days @ St Teresa's

At St Teresa's, we deliver 6 WOW Days, one per half term, which are designed to inspire and enthuse our children in particular subjects.

This year, WOW Days in Science, Sikhism, Art, Easter, Music and Wellbeing are on offer. During the day, all classes take part in creative, fun-filled activities in class as well as accessing sessions delivered by visiting experts.

Wellbeing

Science

Music

In order to meet the cost of these exciting opportunities, we are requesting a voluntary contribution of £12.00 per child to cover the cost of the six days throughout the year. All payments and consent forms can be completed online from Monday 25th September 2017. Thank you for your continued support.

Easter
