- All children need a P.E. kit in school for the beginning of next week. (Black shorts, a white t-shirt and black pumps).
- If your child has a medical condition or asthma, please ensure that you complete a form from the office. Inhalers must be labelled with your child's name and class and handed in at the office. If your child has a complex medical need or allergy please make an appointment with Miss Palmer to discuss this.
- After school care must be booked and paid for on a Monday.

Class Parents' Meetings

Thank you to all parents that attended the meetings. If you can suggest ways to improve the meeting so that more parents are able to attend in the future please let us know.

If you were unable to attend please look at the website to read all the information regarding your child's class.

Parent Coffee and Chat

We would love more parents to join us for coffee and chat on Friday after assembly. Please come along and share any thoughts, or ideas and catch up with our news.

If your child has just started in Nursery or Reception please come along and join us for a coffee; your opinions and input are really important.

Next week we are meeting to discuss forming our PTA. All parents will be automatically on the PTA but if you would like to have a role or be directly involved please come along to the meeting.
