

# Early Years Curriculum Guide

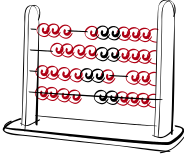

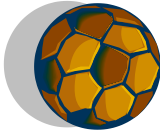

Here is a short summary of the curriculum your child will be following this half term.

You can help by:

- Sharing a book with your child each day
- Speaking to your child about their work and day at school

The topic that we are working on this half term is : Establishing Routines / Ourselves

These are some of the activities that we will do :

Communication, Language and Literacy		We will be listening to stories about starting school and learning nursery rhymes. We will be exploring books, looking and talking about the pictures. We will be developing in confidence to talk in small groups and join in with stories.
Mathematical Development		We will be singing counting songs and counting the children who are here each day. We will be counting out a small number of objects and starting to observe big and small.
Expressive Art and Design		We will be drawing and painting pictures of ourselves and our family. We will be learning how to use the tools and resources in the Workshop Area to make pictures and models. We will be learning how to use scissors safely.
Personal, Social and Emotional Development		We will be settling in to nursery routines and developing relationships with other children and with other members of staff. We will be learning to share and play with the other children. We will be building confidence to talk to others and learn everybody's names.
Physical Development		We will be learning how to put our coat on independently and we will be encouraged to use the toilet and wash our hands correctly. We will be learning how to use our nursery equipment safely.
Understanding of the World		We will be learning about our families and we will be talking about the different people in our family. We will be learning how to use the class computer, Cd player and Beebots.

Year Group:	Nursery	Term:	Autumn 1
