

Let's Play Music is an organisation that provides schools with a fun and engaging Drums and Guitar curriculum taught by passionate teachers. We offer a professional service to our students, our parents and our schools. Let's Play Music currently provides music tuition in these schools in around the Cirencester area:

Cirencester Primary School

Ann Edwards C of E Primary School

North Cerney C of E Primary School

Ampney Crucis Primary School

Oaksey C of E Primary School

Down Ampney Primary School

Meysey Hampton C of E Primary School

Crudwell C of E Primary School

Southrop C of E Primary School

Lea And Garsdon C of E Primary School

Learn The Drums - Reception To Year 6

rockschool Accredited Qualifications Internationally recognised with UCAS points awarded from grade 6.

We would love the opportunity to discuss teaching Drums in your school and doing an assembly to drum up interest. (Lessons are taught on electronic drum kits through headphones so there is no external noise).

Young Musicians - It's All About Motivation

We successfully keep our students motivated, practicing and improving by introducing the fun of playing right from the start:

- **Modern Songs** - We engage students and keep learning relevant to them by teaching current modern songs and pieces that they know & love. All pieces work hand in hand with the grade systems we teach and reinforce all technical elements required. Our students are enthusiastic and eager to learn new pieces, they want to play at home, want to perform and want to show off their skills to their friend.
- **Online Learning Recourses** - We have videos and recourses on our website which students use daily to aid their practice sessions. Giving students easy access to Online Backing Tracks to play along with at home and make practice a thing of fun rather than a chore.
- **Hall Of Fame** - Once a student has mastered a piece to their appropriate level we video them performing and put it in our "Hall Of Fame" on our website. Kids love this and work hard to show their skills off at their best, parents and extended family members love this as they get to share in their child's progress and get a lovely keepsake to look back at in years to come. (we ask parents to sign a permission form for videos and audio recordings)
- **Live Performances** - We like to be involved in school events, fairs and assembly's and want to offer our students plenty of opportunities to share their hobby with their friends through group sessions and performances.

A Professional Service To Our Students Parents & Our Schools

- **Online Invoicing & Online Payment Options** - making it easier for parents and no admin through the school office.
- **Progress Reports For Parents** - Our parents feel well informed and in the loop with their child's progress. Our teachers give a full report on students progress termly but our systems allow teachers to easily feedback successes and challenges to parent during the lessons via email, bridging the gap between the school lessons and the home practice.
- **Parents Online Recourses** - Parents can login and see dates of lessons, download documents on current pieces and how they can help their child practice at home.

Drumming Lessons Packages

£9 for 20min private lesson

£9 for 30min groups of 2

Electronic drum kits with headphones are used so there is no external noise. For information on percussion workshops with larger groups and after school clubs please get in touch.

We consistently maintain high numbers of students in each of our schools. This is because we create an exciting, fun, friendly atmosphere with a teaching approach that keeps students engaged and wanting to learn. We have thousands of hours experience teaching children and are incredibly passionate about what we do.

There is a lot more information about us at **www.letsplaymusic.co.uk**. If you have any questions or would like to arrange an assembly please do not hesitate to get in touch.

Yours sincerely
