## Better Reading Programme.....

Can you spare 15/20 minutes during the week to help with our Better Reading programme? This programme helps children who may be struggling with their reading become more confident over the school year. You would work one to one with a pupil and full training would be given by Mrs Miller to anyone new to the scheme. If you are interested please contact Mrs Miller via the office. Thank you

## Head boy and girl 2017-2018

This week we have also held our election for our new Head boy and girl. After some amazing presentations by the Y6 children in front of the whole school, the two pupils chosen were Scarlett Jeffs and Carson Nasir. Congratulations to both children who I know will make fantastic ambassadors for Copley primary school.

We now move onto the elections of our House Captains.

*We are glad to be picked for Head Boy and Head Girl. We think we will make school a better place by having upper and lower key stages working together e.g. 'spelling bees', reading competitions.....we will let you know!!!!*

*We would like to support two different charities over the year. Our charities are Cancer Research and MND—Motor Neurone Disease.*

## School Term Dates..

If parents are needing to check the school term dates please use Calderdale Councils own site..... the link is below.

<https://www.calderdale.gov.uk/v2/residents/education-and-learning/schools/school-term-dates>

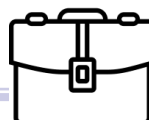

We have added lists of suggested reading books, for each year group, to our school website. We are going to be ordering many of these books to add to our library over the next few weeks. Thank you to FOCSA for the kind donations. How many can your child read before the end of the year?

Miss Drury, Literacy Coordinator

Please could we remind parents, especially in KS1, to check your child's book bag on a regular basis. Letters/information is sent home by teachers and the office but often remain in a book bag for the whole week. Things can get missed and then we have disappointed parents and upset children!!!!!!

## Parent governor election result.....

We are pleased to announce, following the election count on Friday last week the new parent governor for Copley is Mrs Fiona Woodhead.

Mrs Woodhead, many of you will know, is mum to Arthur in KS1 and Max and in Y5. A huge thank you to all the other 4 parents who put themselves forward and for so many of you voting in the election.

The weather is bound to get colder over the next few weeks, so please could we ask parents to make sure that children are wearing appropriate clothing for being outside at break and lunchtime. Thank you
