

YEAR 3 + 4 HOMEWORK TASKS

Our new topic is called
Bear Grylls – Survival!

Please choose at least one of the following homework tasks to complete over the next few weeks. Bring in finished homework on **Wednesday 18th October 2017**.

Homework will be on display on **Wednesday 18th October 2017**.

Try to be as creative as you can to bring Survival! Here are some of our ideas, but feel free to use your own.

- Create a survival guide for staying outdoors in the wild.
- Become a nature ranger and produce a guide to plants or animals in our area.
- Make a model of a survival camp from play-doh, plasticine or other materials.
- Draw or paint a picture of an outdoor scene. You could display this in a decorated frame, too!
- Produce a Survival diary of an adventure you have been on.
- Write about what you enjoy doing outside and recommend places for others to visit.
- Become a travel advisor and write a review of somewhere you have visited and what outdoor activities you can do there.
- Produce a poster all about what essentials you need to survive in the wild.

Have fun and get creating!

Mrs Tustin, Miss Gaskell and Miss Smith (Lower Key Stage 2 team).
