School News

One element of our school improvement plan is to raise the standard of reading; ensuring gaps are being closed and helping parents to support their children when reading at home.

We are offering parents a **Reading Workshop** session on **Monday 25th September 7-8pm.**

Staff will provide you with lots of useful information and will be available to answer questions and chat about reading with children at home. We really look forward to seeing you at this informal session and hope that you are able to take home useful ideas and tips. Please email the school office if you plan to attend the workshop.

THE MORE THAT YOU READ, THE MORE THINGS

YOU WILL KNOW. THE MORE THAT YOU LEARN,

THE MORE PLACES YOU'LL GO.

Thank you for your support with the apple sale last week. We made £13.28 for School Funds.

If your child does something special outside of school for example: getting a swimming award, Brownie badge, football trophy, judo belt please encourage them to bring it in for our Monday Celebration assembly. We would like to celebrate all achievements, find out more about what children do outside school and take a photograph for our celebration board.

Please remind your child to look after their clothes when in school. If you find your child is wearing somebody else's uniform when they come home please send it back into school and we will try and sort out the mix up. Please, please make sure every item of clothing is named, it is very tricky when they are all the same colour!!

Thank you :)
