

WELCOME

To Penns Primary PTA

Penns Primary PTA would like to welcome you to the 2017-2018 school year. We are so looking forward to getting to know all the new families and helping you get involved in your child's school life.

Penns PTA is a registered charity whose sole aim is to raise much needed funds to pay for the extras that will benefit our school and children. We are a committee of volunteers who all have other commitments, such as family, careers and interests. We all do as little or as much as we can, when we can. Everybody is very welcome to the meetings. These meetings are held at least every other month and all contributions are valued.

The PTA works closely with the school and the events organised bring friends and families together. We aim to give children a sense of belonging and pride in their school and themselves, and above all have lots of fun!
