3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Achievement in reading, writing and maths is lower for current PP than for other pupils
B.	Mental health issues for some pupil premium children are making it difficult for them to learn effectively and make progress
C.	
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)	
D.	Ensure all parents are aware of pupil premium funding and how to access this to ensure school can support all children who are eligible for funding

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Increase number of PP children make more than expected progress in reading, writing and maths	Progress score in reading, writing and maths will be +3.0 or higher in reading, writing and maths at the end of KS2 Increased % of PP children will achieve expected standard at end of KS2 in all subject areas
B.	Mental health issues targeted with focus support	Children's mental health issues being supported in school with focus action plan and Living life to the full
C.	Increased take up of pupil premium funding for eligible parents	An increase in the amount of pupils in receipt of pupil premium funding particularly in EYFS and KS1. High quality provision demonstrated on

the provision maps is continued including support from learning mentors

5. Planned expenditure

Academic year **2017-2018**

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Children to develop skills of independent learning	Focused growth mindset intervention from TAs with pupil premium children	Different evidence sources e.g. EEF toolkit and Sutton Trust report suggest that high quality feedback is an effective way to improve attainment PP children do not show high levels of resilience or desire to take on challenging work	Whole staff training Peer observations of teachers and TAs School teaching, learning and assessment policy rewritten to reflect growth mindset approach	Deputy Head	Ongoing review through the year then data analysis July 2017
Improve outcomes in maths	Embed White Rose Maths Hub curriculum from last year	Evidence from NCETM and Sutton Trust suggests mastery teaching increases pupil outcomes	Whole staff training Work scrutiny Pupil progress meetings Observations of teaching	Maths subject lead	Ongoing review through the year (pupil progress meetings etc) Data analysis Dec 17
Improve outcomes in reading and writing	Embed use of drama across school Promote reading through use of reading journals and home/school meetings about reading	Pupil premium children show lower levels of attainment in writing than their peers. There is growing evidence that drama helps to engage children and being part of this research project will help to add to that research bank of information	University researchers overseeing project and feeding back to staff Whole staff training	Deputy Head	Dec 17
Total budgeted cost					£4500

ii. Targeted support

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
