

STRANGER IN PARADISE

Take my hand I'm a stranger in paradise
All lost in a wonderland, a stranger in paradise.
If I stand starry eyed, that's the danger in paradise,
for mortals who stand beside an angel like you.
Won't you answer this fervent prayer
of a stranger in paradise,
don't send me in dark despair from all that I hunger for,
But open your angel's arms to this stranger in paradise,
and tell them that they need be a stranger no more.

WHITER SHADE OF PALE

We skipped the light fandango,
Turned cartwheels 'cross the floor,
I was feeling kind of seasick,
And the crowd called out for more.
And the room was humming hotter,
As the ceiling flew away,
When we called out for another drink.
The waiter brought the tray.
And so it was later, As the miller told his tale
That her face at first just ghostly
turned a whiter shade of pale.

I CAN

I know I can be what I wanna be.
If I work hard at it.
I'll be where I wanna be.
if the truth is told, the youth can grow,
They learn to survive until they gain control,
Nobody said you have to be gangsters.
Read more, learn more, change the globe.
Get up children, do your thing.
Hold your head up little man, you're a King!
Young Princess when you get your wedding ring,
Your man is saying "She's my Queen!"

I know I can	I know I can
be what I wanna be.	be what I wanna be,
If I work hard at it.	if I work hard at it
I'll be where I wanna be.	I'll be where I wanna be.

ALTOGETHER NOW

Remember now that your forefathers died
Lost in millions for a country's pride.
Never mention the trenches of Belgium
When they stopped fighting and they were one.
A spirit stronger than war was at work that night.
December Nineteen Fourteen Cold clear and bright.
Countries' borders were right out of sight,
They joined together and decided not to fight.

Altogether now. Altogether now
Altogether now in noman's land Together!

Altogether now. Altogether now
Altogether now in noman's land Together!

Chorus 1&2

THE CALL

It started out as a feeling,
which then grew into a hope.
which then turned into a quiet thought
which then turned into a quiet word.
And then that word grew louder and louder,
till it was a battle cry.
I'll come back when you call me.
No need to say goodbye.

Just because everything's changing,
doesn't mean it's never been this way before.
All you can do is try to know who your friends are
as you head off to the war.
Pick a star on the dark horizon and follow the light.
You'll come back when it's over,
No need to say goodbye.
You'll come back when it's over,
No need to say goodbye.

Now we're back to the beginning
it's just a feeling and no one knows yet.
But just because they can't feel it too
doesn't mean that you have to forget.
Let your memories grow stronger and stronger
till they're before your eyes.
You'll come back when they call you,
No need to say goodbye.
You'll come back when they call you.
No need to say goodbye.
