

YOU'RE IN THE BAND

Take a hold of your axe, and try to pluck out this riff.
Let your shoulders relax, You don't wanna be so stiff.
Keep on going don't stop,
Take it over the top,
Squeeze out every last drop,
Make each note really pop!
Give it one final wop and yes!
You're in the band

Turn a cello this way and it's practically like a bass.
Pop the strings when you play and watch how you shred my face!
Keep on rocking its note,
Grab it right by the throat,
Keep the rhythm afloat,
Don't forget to emote,
And that's all that she wrote,
Baby You're in the band

If you play the piano, You can play the keys.
So just loosen it up, and strut your expertise.
Take a look at this music, and let your mind expand.
You're in the band

Sit your butt at the skins, then try to whack out a beat.
Feel the groove in your pins then slowly turn up the heat.
With a Rat-a-tat tat on the bass and hi-hat,
Make it juicy and fat,
Yes exactly like that!
And now shut it down flat:
You're in the band!

Do do do do do do do do do do do do do do do do do
do do do do do do do do do do do do do do do do

STEVIE WONDERLAND

SIR DUKE

Music is a world within itself,
with a language we all understand,
With an equal opportunity
for all to sing, dance and clap their hands
Just because a record has a groove
don't make it in the groove,
But you can tell right away at letter A
when the people start to move.

They can feel it all over,
They can feel it all over people
They can feel it all over,
They can feel it all over people,

AS

Verse 1 Cue

*Just as all that's born is new you know what I say is true,
That I'll be loving you always.*

Chorus 1

Until the rainbow burns the stars out in the sky.
Until the ocean covers every mountain high.
Until the dolphin flies and parrots live at sea.
Until we dream of life and life becomes a dream.

Do you know that true love asks for nothing...

Verse 1 Cue

*Just as kindness knows no shame know through all your joy and pain,
that I'll be loving you always.*

Chorus 2

Until the day is night and night becomes the day.
Until the trees and seas just up and fly away.
Until the day that eight times eight times eight is four,
Until the day that is the day that is no more!

I WISH

Chorus

I wish those days could come back once more
Why did those days e-ver have to go
I wish those days could come back once more
Why did those days e-ver have to go 'cos I love them so

SIGNED SEALED DELIVERED

Chorus

Here I am baby,
Signed, sealed, delivered, I'm yours, babe,
Here I am baby,
Signed, sealed, delivered, I'm yours, babe,

I'M YOURS

Chorus

So I won't hesitate no more,
No more, It cannot wait
I'm sure;
There's no need to complicate
Our time is short
This is our fate
I'm yours!

POP MEDLEY 2018

I LOVE MY LIFE

Tether your soul to me
I will never let go completely.
One day your hands will be
strong enough to hold me.
I might not be there for all your battles,
but you'll win them eventually.
I pray that I'm giving you all that matters
so one day you'll say to me
I love my life.
I am powerful, I am beautiful, I am free
I love my life
I am wonderful, I am magical, I am me,
I love my life.

HUMAN

Maybe I'm foolish, Maybe I'm blind
Keep thinking I can see through this
and see what's behind.
Got no way to prove it so maybe I'm lyin'
But I'm only human after all,
I'm only human after all,
Don't put your blame on me
Don't put the blame on me.

Take a look in the mirror,
what do you see
Do you see it clearer or are you deceived
in what you believe
'Cos I'm only human after all,
You're only human after all,
Don't put your blame on me
Don't put your blame on me.
