

Some people got the real problems
Some people out of luck.
Some people think I can solve them
Lord heavens above!
I'm only human after all,
You're only human after all,
Don't put the blame on me
Don't put the blame on me.

PLAY THAT SONG

Hey Mister D. J. When you gonna spin it
my baby's favourite record she's been waiting for a minute
She invited all her friends and I'm buying all the rounds,
and they're all dolled up D. J. please dont let me down
When you gonna play that song?
When you gonna earn that pay
When you gonna play that song and make my day

She said Play that song.
The one that makes me dance all night long,
The one that makes me think of you.
That's all you gotta do eh eh eh
Play that song.
The one that makes me stay up till dawn,
The one that makes me go "ooh"
That's all you gotta do

HEROES

We go hideaway in daylight.
We go undercover when under sun.
Got a secret side in plain sight.
Where the streets are empty that's where we run.
Everyday people do everyday things,
but I can't be one of them.
I know you hear me now,
We are a different kind,
We can do anything.
We could be heroes
We could be heroes Me and you
We could be heroes
We could be heroes Me and you
We could be

CASTLE ON THE HILL

When I was six years old I broke my leg
I was running from my brother and his friends.
And tasted the sweet perfume of the mountain grass as I rolled down.
I was younger then. Take me back to when.
I found my heart and broke it here,
made friends and lost them though the years.
And I've not seen the roaring fields in so long n' I know I've come.
And I can't wait to go home.

I'm on my way.
Driving at Ninety down those country lanes.
Singing to Tiny Dancer and I miss the way you make me feel it's real.
And we watched the sunset over the castle on the hill
Oh over the castle on the hill Oh over the castle on the hill
