

Literacy Homework

Date Handed Out: **Friday 29th September**

Date Due In: **Wednesday 4th October**

This week, you need to **choose one task, from the menu, that you want to do**. You can choose either a bronze, silver or gold activity. It is totally up to you, which one you choose, as long as you are challenging yourself. **If you want to you may do more than one activity.**

You only need to do one of the following, so which one will you choose?

Menu

Bronze: For everyone to try.

Silver: If you're feeling confident.

Gold: An extra challenge.

Bronze:

This week, in SPAG, we have been looking at fronted adverbials. For the task this week, I would like you to sort the following fronted adverbials into whether they are a how, where or when adverbials.

Then, I would like you to take each fronted adverbial and finish off the sentence. Remember to use the correct punctuation and to use your neatest writing.

e.g.

For seven years, Lola had been to tennis lessons.

under the mattress	for seven years	with a flick of the wrist
on Wednesday	because you didn't finish your homework	all along the road
eight weeks ago	in France	since it's nearly home time
barking madly	long, long ago	round the corner

Silver: Can you think of your own fronted adverbial sentences and then finish the sentence off. I am looking for about 12 sentences. 4 who, 4 how and 4 where fronted adverbials.

Gold: For a real challenge and to fit in with what we have been learning about, I would like you to create your own non chronological report. I would like your report to be about punctuation and grammar. I would like you to create a learning non chronological report to give examples and to show others about what we have learnt so far. Your report must include the following aspects below. You may present this however you like, for example: Poster on paper, Poster in your book, PowerPoint, poster completed on the computer, presentation, game or anything else that you can think of that will teach someone else. You may research on the internet, if you get permission from your parents. Good luck! I can't wait to put them on display in school.

- *Main and subordinate clauses*
