SECONDARY SCHOOL APPLICATIONS

The deadline for applying for secondary school places is fast approaching. The date is 31st October which happens to fall within half term. This application needs to be done online. If you would like support with this, or have any questions about the application process, one of our family support workers (Anna-Marie Maguire and Deb Borgeat) are more than happy to support you with this.

Applications are also open for the Reception intake for September 2018.

We do still have places for our current Reception class. If you know of anybody who is looking for a Reception place for their child

(they need to have their 5th birthday between 1st September 2017 and 31st August 2018)

please do get in touch with the school office and we can support you in securing a place.

SPECIAL MEAL DAY

The children are really excited about the 'Wild West' theme day on Thursday of next week. If you would like your child to use this as an opportunity to taste our delicious school dinners, please let the office know and we can add your child to the list.

PARENT INFORMATION EVENINGS

We will be holding our annual Parent Information evenings this week on **Wednesday 4th October** in the school. All parents are invited to attend the class that their child is in. We will be holding two separate times: one will be straight after school at 3.15 and the other will be at 4.15. This will allow you to visit two separate classes if you have more than one child. Each class teacher will produce a leaflet with key messages to take away from the meeting, including the key information they need to know to ensure they are working at age related expectations by the end of the year. We look forward to welcoming you then and seeing all of you there. We will ask you to come through the main reception once you have picked your children up so that you can be signed in at the front office. Thanks

ALTAR SERVERS

Has your child made their first Holy Communion? If so, Fr David is keen to welcome any new altar servers. It is a wonderful way for our young members of the parish to demonstrate real acts of service to the church.

OCTOBER—The Month of the Rosary

As you know, the month of October is the Month of the Holy Rosary. This is primarily due to the fact that the liturgical feast of Our Lady of the **Rosary** is celebrated annually on **October 7th**. As a school community, we will come together each day to say a decade of the rosary. So we can continually enhance the prayer life of the school, we would like to invite the parents in, each Wednesday morning in October, to say a decade of the rosary with the children. We will open the dining room door at 8.45 so that you can come in to have a cup of tea or coffee while you are waiting for the children to be registered. We can then come together as a whole school community to pray this most special of prayers.

“Love one another, as I have loved you, in our home, school and parish families.”

Well done to all of our wonderful stars this week.

	Star 1	Star 2
Year R	Binta	Aishatou
Year 1	Victoria K	Emilia
Year 2	Teyah	Owen
Year 3	Lily-Mai	Diya
Year 4	Ryan	Daniel
Year 5	Adam	Hilary
Year 6	Daniel	Audrey

Well done to year 5 — winners of the £5 this week

Class	%	Target met
YEAR R	99.0	yes
YEAR 1	96.7	NO
YEAR 2	97.7	yes
YEAR 3	97.6	yes
YEAR 4	97.9	yes
YEAR 5	100.0	yes
YEAR 6	95.9	NO

Happy birthday to the children who celebrated a birthday this week. We hope you had a lovely day!

Charnelle, Hilary, Marri, Hebron, Brooklyn, Aishatou, Sarah A, Michelle B

Flu vaccination for children in Reception and Years 1, 2, 3 and 4

We would like to offer you the opportunity to protect your child against seasonal flu (influenza) this winter. Flu is a highly contagious viral infection affecting the respiratory system. This vaccine will protect all children from flu and its associated complications, such as pneumonia and middle ear infection. It will also help to reduce the spread of flu and thus protect many others, such as younger siblings, pregnant women, grandparents and those in "at risk" groups (i.e with conditions such as asthma, diabetes, kidney problems).

From October 2017 all children in Reception and years 1, 2, 3 and 4 will be offered flu vaccination through a nasal spray. This extension of the national flu immunisation programme to children is part of a phased introduction, based on the advice of independent experts. **This vaccination is annual so if your child received the vaccine last year they will need to have it again this year.**

A leaflet explaining the programme is enclosed. This information includes details about children for whom the nasal spray is not appropriate. Any further information can be obtained from www.nhs.uk/child-flu or contact your Immunisation Team.

Fluenz Tetra® will be the vaccine used for children in this programme and one dose will be given nasally. The Patient information leaflet for the nasal flu can be found at: www.medicines.org.uk/emc/medicine/29109.

Some schools have access to a flu video clip we have produced and may show this to the children before the session. Should you wish to view this video with your child it can be seen by visiting: https://youtu.be/9vEi0pdCH_w

Please complete the enclosed consent form and return it to the school within 7 days of receipt of this letter, so your child can be given the vaccine. Please note if the consent form is returned after this date your child may not be able to have the vaccine.

If your child becomes wheezy or has their asthma medication increased just before or on the day of the vaccination session, or you would just like some more advice or information please contact the vaccination team on 024 7696 1422 or email bewise.immunise@covwarkpt.nhs.uk

Simon Gilby – Chief Executive

Please remember to return the consent form even if you DO NOT consent to the vaccination for your child, explaining the reason for your decision. This will help us in the development of the flu vaccination programme in the future.

Some faith groups accept the use of porcine gelatine in medical products – the decision is, of course, up to you. For further information about porcine gelatine and the nasal flu vaccine, see www.gov.uk/government/news/vaccines-and-gelatine-phe-response

Yours sincerely

Mairead Thompson
Clinical Lead – Coventry Immunisation and Vaccination Service

NOTES ON COMPLETING THE CONSENT FORM

Please complete the form for your child fully using BLOCK CAPITALS using black or blue ink.

Patient Information and Contact Details

Your child's NHS number: If you are registered with a GP practice you will already have this number. It is a 10 digit number which is unique to your child and can be found on their medical card. It can also be found on any letter from the NHS, any prescription and on your child's red book – "my personal child health record".

Medical Information

Please let us know immediately if your child's asthma deteriorates, i.e. they have been treated with steroids in the last 14 days, they have been wheezy or need to use their 'reliever' inhaler more frequently in the 3 days leading up to the date of vaccination.

There are some children who should not have the vaccine. Completing this section fully will help us screen your child and make a decision. Should the need arise we may contact you to discuss this.

Should the vaccine not be suitable for your child we will inform you.

Consent Declaration

THIS FORM MUST ONLY BE COMPLETED BY SOMEONE WITH PARENTAL RESPONSIBILITY.

Guidance about parental responsibility can be found at:

<https://www.gov.uk/parental-rights-responsibilities/what-is-parental-responsibility>

Sharing information with your GP: After our team has vaccinated your child at their school we will let your GP know so that they can update your child's health record.

We would like you to talk to your child about this vaccination.

Please note your child should have received 2 doses of MMR by 5yrs of age. It is important for you to contact your GP if they have not received these 2 doses. (We are unable to administer this vaccination)
