Dear Parent,

Year 3 and 4 - Stepping Out: Pedestrian Training

Your child is about to take part in a basic pedestrian awareness scheme, which involves classroom work and visits to roads near to the school. At the end of the scheme parents and teachers will observe the children walking a route in the local area. We need your consent for your child to take part in the practical activities outside school.

To carry out the project a number of volunteers are needed for the practical sessions to help observe the children and maintain suitable adult to pupil ratios.

Practical training: two or three volunteers may be required

Observed walk: it is **essential** to have at least six volunteers

If you are able to assist please indicate this when returning the consent form below.

I hope that you will take every opportunity to re-inforce the work your child will be doing in school. Further information on the scheme is available available from Ray Hughes, Road Safety Officer who will be leading the training at ray.j.hughes@wsp.com

Yours sincerely,

Kerrie Lewis
Headteacher
