

Dalton St Michael's C.E. Primary School

Newsletter 4

September 29th 2017

This week the Early Years children have been learning about their bodies. They talked about the bones inside their bodies.

One afternoon they used playdo, rolling pins and cutters to cut out body shapes. Afterwards they used cotton buds to include bones!

Miss Dowling's class made their papier mache volcanoes erupt on Wednesday.

'We used vinegar, washing up liquid, food colouring and bicarbonate of soda. We didn't need the food colouring for the experiment – it just made it look better.' Joel

They made volcano images using paint and straws.

Painting of a volcano by Ellis Year 4.

Mrs Britton's class have been learning about light and shadows. They are continuing their investigating next week.

This morning Mr Atkins' class led the Collective Worship in Church. They told us the story of 'The Little Red Hen' and demonstrated working together and helping each other in a number of ways. Well done and Thank you!

Please try to attend the Harvest Festival in Church on Sunday at 11am. It would be lovely to see you there!

Stars of the Week

Nursery – **Aaron** for a lovely drawing of a skeleton with lots of ribs

Reception: **Daniel** for retelling a wonderful story from his reading book using lots of description

Year one: **Ellie** for a thoughtful Harvest prayer

Year two: **Poppy** for accurate estimations when measuring body parts

Year three: **Oliver** for his enthusiastic and confident singing to the Beatles tracks we are learning

Year four: **Ellis** for working so hard to create an amazing volcano painting

Year five: **Ruby** for being such a pleasant, kind, polite member of the class

Year six: **Haydn** for a huge improvement in Mathematics

Attendance

Year three and four
with 97.4%

Next Week

Year two and Key Stage two visit to a music recital on Friday afternoon.

Mrs Adele Robinson BEQ NPQH – Headteacher
