14th January 2016

Dear Parents / carers,

Your child's school are setting up a school saving's club. The School's Development Worker from Unify Credit Union has been into school to speak to the children about the importance of saving money.

Unify is much simpler and less complicated in nature than high street banks. Anyone who opens an account with us becomes a member and will receive annual shares of any profits by way of a dividend on savings.

It's FREE to open an account, we do not profit from it and there are no hidden charges.

If you would like your child to take advantage of this savings opportunity, please complete and return the enclosed form on Monday 25th January. Further deposits of as little or as much as you choose can be made every Monday at the school savings club from 8:15 – 9:00 am.

Unify's services are not restricted to children; we also offer savings accounts and affordable loans to adults. We offer simple, reliable, ethical banking and we treat everyone with equal respect and courtesy, regardless of financial status.

If you would like more information please call in to our drop-in session in school on Tuesday the 19th January from 3:15 pm.

Alternatively, visit our website: www.unifycu.org or contact the office or myself on 01942 245656.

Thank You

A handwritten signature in black ink that reads "Tracy Darwin". The signature is written in a cursive style with a large, stylized 'T' and 'D'.

Tracy Darwin
Schools Development Worker.
