

CLIFFE WOODS PRIMARY SCHOOL

5 October 2017

Dear Parents

KS1 ROAD SAFETY DAY – 16 OCTOBER 2017

KS1 will be spending a day focussing on road safety on Monday 16 October, during which a member of Medway Council's Road Safety team will be coming in to school to talk to the children and guide them through various activities to help them understand the importance of taking care when out and about.

Most of this will take place in school, but part of the day involves leaving the school site to look at and talk about crossing the road and the hazards the children may face.

Of course, the children will be closely supervised, with several members of staff accompanying them.

We hope you will agree that this will be an extremely worthwhile day and will support us by talking to your children about road safety. However, as always, if you have any questions or concerns, please speak to your child's class teacher.

Yours sincerely

Mrs S Robins

Assistant Headteacher – KS1
