

“Friends” of Grange Primary School

Please can you help ?

“Friends” of Grange Primary School are in great need of volunteers and we will not be able to continue the various events unless new helpers join us.

All parents are “members” of Friends (our school fundraising group) once their children start coming to Grange Primary. However, the “Friends” is open not just to Mums and Dads, but Grandparents and Guardians as well. It is also made up of School Governors, Teaching and Support Staff. We put on special events and fundraisers to build community, to have fun and, of course, to raise funds.

We would love to hear from you on what you like and how you are able to help ! Joining “Friends” does not mean signing your life away. You can help as much or as little as you want. Helping at one event does not mean you must help at them all. We do need a core group of members for our “Friends” Group, but we also need loads of volunteers for all the other bits and bobs that need doing ! The more helpers we have, the better ! Whatever help we receive, we will be grateful. Being part of “Friends” is a great way to get involved in the life of the school and children really ENJOY knowing their parents are helping out ! ☺
