

Netball Festival

5/10/17

Children from two schools took the opportunity to attend a netball festival held at Newsome High School. The event, run by SPIN and ably helped by the young leaders from Newsome High, was a real eye opener for the children. As the night progressed more rules were introduced so that the children became aware of what it entailed to play the game. By the end of the evening the children had progressed massively and were able to use their new knowledge to play a much better standard of game. All of the children enjoyed the experience. "I want to play more netball." Was one comment from a child as we left the hall.
