Sundon Park Junior School Weekly Newsletter

News

It was individual and sibling school photos this week and although the cold and wind tried desperately to dishevel our perfect hair, Kittle photographic did a great job of organising all the children and taking hundreds of photos throughout the day. Hopefully they captured our 'best sides'.

We have noticed a large reduction in the number of reports of dangerous driving/manoeuvring outside the school and we would like to thank all those who have made an effort to avoid parking or turning in busy areas. However, there are still a small number of people who disregard the road markings and drive recklessly. This poses great risk to our pupils, local community and other road users.

Autumn Fayre

Thank you to everyone who came along to our Autumn Fayre last Saturday. It was fantastic to see so many familiar faces enjoying all of the activities and craft stalls on offer. We hope you all enjoyed yourselves as much as we did. Congratulations to those of you who won raffle prizes. In total, we managed to raise over £1000 for the school, which will go towards updating and improving technology in our classrooms.

School Uniform

We would like to take a moment to remind parents of our school uniform policy. A child may wear a plain white polo shirt under their sweatshirt, but we ask that all pupils have at least one school polo shirt for when the sweatshirt is not worn. This is particularly important for school trips so children can be easily identified. Children are expected to wear school shoes in school. However, they can wear trainers to and from school and during break time, but they must change back into their school shoes promptly for lessons. Haircuts should be suitable for school—we actively discourage fashion fads and dyed hair. Children with long hair must have it tied back so it does not cover their eyes when they are working or become a hazard during PE. Makeup and nail varnish are not allowed. For safety reasons, jewellery is not allowed in school, with the exception of a watch and small plain silver or gold stud earrings (which must be removed for all PE lessons).

Year 3 Local Walk

On Thursday morning, Year 3 had a walk around their local area to help get them familiar with the different residential, commercial and industrial buildings that exist near the school.

This was a great opportunity for children to not only learn about their local area, but also visualise some of the things they have been working on in class.

Next Week in English

Year 3

Next week, Year 3 will be starting to learn our non-fiction text 'How to make a papaya smoothie'.

We will be focusing on writing instructions and using imperative verbs.

Year 4

Year 4 will be learning about persuasive writing. We will be learning about the persuasive features used to advertise jobs. We will be focusing on the jobs that were available during Victorian times.

Year 5

In English next week, Year 5 will be learning about persuasive writing. We will be learning about the different persuasive features used to promote seaside resorts.

Year 6

Next week in Year 6, we will be learning about persuasive writing. We will be learning about the different persuasive features that companies use to persuade us to buy their product. Classes will also be looking at imperative and modal verbs and how we can use them to influence the reader. We will also be working in groups to perform our adverts to the rest of the class.

Next Week in Maths

Year 3

Next week, Year 3 will be mentally adding numbers up to three digits. We will then continue to look at addition, exploring commutativity in addition, complements and multiple strategies to add mentally.

Year 4

Year 4 will be continuing to secure their learning of using different mental strategies for subtraction. We will then be learning to use formal written methods.

In order to be confident in our times tables we will be counting in multiples of 6, 7 and 9.

Year 5

Next week in Year 5, we will be recapping place value and rounding whilst consolidating our knowledge of factors and multiples.

Year 6

Next week in maths, the children will be learning to perform mental calculations, including with mixed operations and large numbers.
