Dear Parents and Carers,

Invitation to our Coffee Morning/Afternoon

As your children have settled so well into Nursery, we would like to invite you in to celebrate the first half term and have a chance to meet the team.

We are fully committed to partnership working between your child, home and the school. We want parents and carers to leave their children with confidence knowing that they are in a fun, happy and safe environment. Our Nursery team will be working closely with you to support your child's development and educational needs and to provide the best outcomes for them, and we feel it would be a nice opportunity for you to get to know us better.

We would also like to hear about your experiences and ideas on improving the Nursery and even think about a Parents' Committee who can help us to plan events and resources for your child's education. There will also be an opportunity to discuss the application process into Reception classes of your chosen school.

Please come along to the first of our Nursery coffee mornings to be held on the morning and afternoon of:

Thursday 12 October at 9.30am and 2pm

We will meet in the Nursery lunch room and younger children are welcome.

We greatly value the contribution you have to offer and look forward to working with you to support the all-round development of your child.

Yours sincerely,

Wendy Bowstead
Head of Business & Administration
