Wednesday 11th October

This week, we talked about the second reading, a letter from St Paul to the Philippians. It asks us to trust in God. It asks us to offer up all our worries, anxieties and our fears in the knowledge that He always listens to us and loves us. God will always answer our prayers—not necessarily in the way that we expect, but He has a plan for us, which we need to trust.

'Don't worry about anything;

instead, pray about everything. Tell God what you need, and thank Him for all he has done. Then you will experience God's peace, which exceeds anything we can understand.

His peace will guard your hearts and minds as you live in Christ Jesus.'

Philippians 4:6-7

Our statement to live by this week is:

'I know what to do if I see anyone being hurt'

Cross Country Runners!

Well done to all the cross country runners team who ran their first race last week. They all did really well, running and supporting each other. Keep it up!

Thanks also to Mrs Rainer and her team for organising and training our team, it is much appreciated!

News:

Our **School disco** is tomorrow night! Children in Reception and Year 1 are invited to bring a change of clothes that they will be able to get changed into at the end of the school day. Please remember to drop off the children at the main entrance, and pick up on the main **playground**. Thank you.

Many thanks to **Mrs Bambridge** who has been a lunchtime supervisor here at St Joseph's, looking after our children with great care and kindness who is moving on to pastures new. We wish her well in her new job!

Don't forget to return your **Parents' Evening** slips as soon as possible!

Reception and Y1 still need donations of clothes etc for their **scarecrow day** on Monday 16th and Wednesday 18th October.

There will be an open afternoon on November 10th 1-4pm for the parents of children who are due to start school in September 2018. It gives parents an opportunity to look around school and speak to the Headteacher of any concerns they may have. This is a drop in session no appointment is needed.

Did you know that air pollution contributes to 29,000 deaths each year in the UK. Leaving your engine running whilst in the car waiting for your child damages the environment and is a health risk to our children and our community. Please **switch off your engines whilst waiting** in the car park or surrounding streets. Thank you for your support. For further details about the health risks, see this article: <http://www.bbc.co.uk/news/health-40431351>

Shoe box Appeal

Mrs Wall is once again organising our 'Shoebbox Appeal'. This is where children can fill empty shoeboxes full of items such as toys, school stationary and hygiene items. This is given to a child as a gift for Christmas. It helps children to remember that there are many children less fortunate than themselves and they enjoy putting their faith into action and helping others. Letters sent out will have further information. Many thanks for your continued support!

If you are worried or concerned about the safeguarding of any of our pupils, please make an appointment to speak to Mrs Robinson or Miss Lister who are our safeguarding leaders. Any other concerns should be raised with the class teacher.
