

Ash Green Community Primary School

M 2

AIMS AND OBJECTIVES

Aims

We aim to build up a positive ethos by providing:-

- a happy, safe environment
- a fair system of discipline where good behaviour is readily praised and any form of bullying openly challenged
- equal opportunities for all
- an effective whole school community partnership
- an image that the whole community can be proud of, identify with and participate in.

We aim to develop and deliver a curriculum that will:-

- **be responsive to the needs of the pupils and the Mixenden community and will therefore:**
- focus on basic skills throughout a broad, balanced and progressive range of learning outcomes through a thematic, cross curricular approach
- provide a high standard of personalised learning for each child
- introduce children to, and inspire children with, new experiences
- develop each child intellectually, physically, spiritually, morally, socially and culturally
- promote health, happiness, safety and independence
- enable all pupils to enjoy and achieve
- develop communication skills
- promote democracy, the rule of law, individual liberty, mutual respect for and tolerance of those with different faiths and beliefs and for those without faith.

Objectives

We will therefore provide:-

- an environment which ensures the safety and well-being of all
- a clear home-school contract which summarises these aims and sets clear expectations of pupils and parents/carers therefore:
- an environment where pupils make a positive contribution
- support for families from our Home School Link Manager and Family Support Worker
- a range of extended services, therefore:
- a learning environment where pupils/families can achieve economic well-being
- a range of activities within and outside the national curriculum to promote excellence and enjoyment for all.
