Dear Parent/Carer

Year 3 Visits this year:

Geography – Mapping Skills (November)

Stone Age day (January)

Roman Market place (May)

Roman day camp - including BBQ! (July)

We have the opportunity to plan for the children in year 3 to enhance their topics with visitors to school and a hands on approach to learning. The children will experience what it is like to grind corn and make Stone Age tools amongst many other 'Stone Age' activities. In the summer term they will be able to dress as Romans (a workshop for making costumes will be provided). They will experience what a Roman market place would be like and will be able to make their own clay lamps, purses, swords and shields amongst other things. They will experience a Roman Feast and we will be inviting you to come and see what they have been doing towards the end of the day.

As a fantastic finale to the year we would like to offer the children a Roman Camp day where the activities will be designed around the Roman army. These activities will include Roman cooking, making a Roman camp shelter, looking at Roman artefacts and finding out what they were used for, meeting a Roman Soldier and many more. The day will run from 8.30am until 7pm.

Our school fund is making a contribution to funding these experiences and getting the experts in, but we still have no alternative but to request a contribution of £20 per child for the remaining balance. This cost will cover **all** the dates above and the food where appropriate, including the BBQ at our Roman camp.

Payment can be made through our cashless system. Payment can also be sent into the school office in a sealed envelope. If you wish to pay in instalments please contact the school office. Unfortunately, if we do not receive sufficient contributions we will be unable to run all the above.

Please complete and return the reply slip indicating your method of payment as soon as possible.

Yours faithfully

J Wightman
