## TOPAZ/AMETHYST

The children had a great afternoon making their healthy sandwiches as part of our DT topic. They had previously designed them, so there was plenty of time to make and eat them! Topaz decided to make them for a picnic whilst Amethyst wanted a party. I must say a few strange concoctions were seen and tasted!!!!

## GRAB A TREE FOR FREE 2017 In the National Forest and beyond

The overwhelmingly popular Free Tree Scheme is back again and you can help to continue the success of the scheme by supporting it this year. The scheme has already seen thousands of trees planted across the district and the District Council is once again teaming up with The National Forest Company to make our district even greener.

There are four trees to choose from: Holly; Cherry Plum; Hazel; Whitebeam and again this year we have the Hedge Fund; species are Hawthorn and Hazel mix and residents are able to order up to 30 metres. **Please see email attachment.**

You can order online from 2 October 2017 at: [www.nwleics.gov.uk/freetreescheme2017](http://www.nwleics.gov.uk/freetreescheme2017)

Trees will be available for collection on Sunday 19 November with a deadline date for submission of **Friday 27 October 2017.**

## PARKING CONCERNS at DROP OFF & PICK UP

As you all know Occupation Road is very congested at drop off and pick up times. Please consider your journey carefully and drive and park with care and consideration for our neighbours, pedestrians, the school crossing patrol and other road users.

If possible use the car park or park away from school and walk.

If you wish to report particular instances of dangerous driving or obstruction, please do so to the local Police by email: [keiran.bennett@leicestershire.pnn.police.uk](mailto:keiran.bennett@leicestershire.pnn.police.uk) or call 101
