HARVEST

Thank you so much for the donations sent in so far for Harvest. The classes are getting quite competitive already. Some boxes are overflowing which is absolutely fantastic. If you could keep your generosity going for the next week, we would be extremely grateful.

SCHOOL JUMPERS

I noticed in assembly this morning that many children were not wearing their jumpers. While this is Ok—it is their choice—it is strange that recently we have had many parents coming to the main reception to explain that cardigans or jumpers have been lost. Please remind your child, as we have, that they must look after their jumpers if they take them off. They must remember where they have put them so they can put them on again when needed. We find so many items of uniform scattered around the school, but anything without a name on is virtually impossible to return to its owner. Please ensure all belongings are labelled. Your child's class teacher should be the first point of contact when looking for something as it is most likely to have been left in the classroom or in the cloakroom. Also, currently we have lots of children not wearing ties. They are an important part of our school uniform and children look so smart in them. You can buy a tie from the school office if your child loses or breaks theirs. Many thanks

WALKING BUS

Unfortunately, we are having to suspend our 'Walking bus' service up until January. This is because we need two members of staff to walk with the children and we are not going to be able to staff if after half term. If this is going to cause you real difficulty, please do get in touch with Mrs Maguire who will do all she can to support you. We are so sorry for any inconvenience caused, and we look forward to resuming the bus in January. Breakfast club will be operating as normal.

COMMUNICATION

A number of parents have expressed concern that they have not received information about events in school. We always put everything on our newsletters, but we also send many reminders via our own school APP. It is free to download and alerts will come straight to your smart phone. Look for us in the app store as St. Anne's CPS. It would be really helpful if all parents downloaded it. Thanks

WELL DONE!

OCTOBER—The Month of the Rosary

We were so pleased that so many parents managed to join us on Wednesday to say a decade of the rosary. We extend our invitation this week to all of you once again. We will open the dining room door at 8.45 so that you can come in to have a cup of tea or coffee while you are waiting for the children to be registered. This will be the last chance before we break up for half term so

please join us if you can.

When we return from half term, we have a whole school mass to celebrate the feast of All Saints. Everybody is welcome. Mass will be at 9.00 at St. Anne's.

“Love one another, as I have loved you, in our home, school and parish families.”

What a wonderful letter to receive in the post from one of our past pupils. Thank you, Victoria. We hope you are very happy in your new school.
