

Dear parents/carers,

It was lovely to chat with so many of you at our two consultation evenings this week. Your comments were very positive, with many of you observing how enthusiastic and focused your children have been on return to school.

I hope that were generally reassured and informed by your child/ren's teachers comments. Please remember that all children are different; try not to compare or judge! If you do have any concerns with your child's behaviour/development, make an additional appointment with your child's teacher or speak with our SENCo, Mrs Craig.

A reminder that we break for half term at the end of next week, and that on the Monday after half term, October 30<sup>th</sup>, school is closed for teacher Training. Children will return on Tuesday 31<sup>st</sup> Oct.

**Well done to all the children in Year 4, who achieved 99% attendance and have won our Attendance Cup.**

### **Parking**

Please could all our parents/carers park with consideration when dropping off and collecting children from school. In particular, please ensure that cars are parked as close to the hedgerow as possible so that other vehicles can get through!

**Many thanks.**

## October 13th 2017

### **Official handover of laptops..**

On Monday this week, Mrs Tuthill, nanny of Ronnie, Tyler and Mylo, came into school to officially handover the 16 laptops purchased for the school by herself and her husband.

We have some wonderful parents, grandparents and friends in school, and this was a lovely gesture that touched everyone. After the presentation, Mrs Tuthill was able to watch a coding lesson with the Year 3 children.

### **November's value in school is:**

#### **Resilience**

We can show resilience by...

- Trying again if things go wrong
- Carrying on even when times get difficult
- Seeing things through to the finish

Please take every opportunity at home to celebrate when your child is determined 'and keeps going' in a situation they might find challenging.

If your child is feeling a 'little under the weather', please bring pain medication into the school office, where we will be more than happy to administer, according to your instructions.

However, if your child has been physically ill, we advise that they should not attend school until 48 hours after the vomiting. By adhering to this advice, 'bugs' are controlled more effectively.

**Thank you for all your support.**
