

# Mrs Snaith- Year F2/1 Teacher

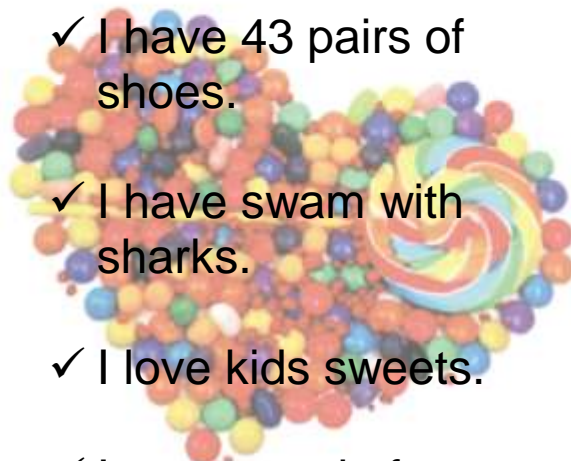

## My family

I have two beautiful children and one on the way. My eldest daughter is called Summer she is ten years old. Summer likes to ice-skate. My other daughter is called Lola she is five years old. Lola also like to ice skate. Me and the girls like to spend lots of time together. We like days out at the seaside, cinema and playing at the park.

## Fun facts

- ✓ I have 43 pairs of shoes.
- ✓ I have swam with sharks.
- ✓ I love kids sweets.
- ✓ I am scared of rats and mice.

## My hobbies

In my spare time I like to socialise with my family and friends. I also like to watch films and go shopping. I like watching the soaps on television and I am told that I need to stop guessing what is going to happen (as apparently I ruin it for everyone!).
