Strive, Believe, Succeed...in 'Generosity'

This term our School Value is 'Generosity'.

A question you could discuss with your child is 'How can you show generosity in the things that you do?'

'Headlines' ...

During these last few weeks all the children and staff have been very busy alongside the daily routine. Tag Rugby coaching has taken place every Tuesday and there have been Year 5/6 and Year 3/4 team competitions at Minety. The Year 3/4 report follows but we were very impressed with the Year 5/6 team who won three of their matches, lost two and drew two. Their skills improved enormously during the games spurred on by the thought of a hot dog at the end!

Harvest Festival contributions, collected during the Harvest Service at school, will be going to the Order of the Sisters of the Church in Bristol who are very grateful for the gifts. These will be handed out in food parcels to those in need as part of their 'Five Loaves and Two Fishes Project'. Thank you all for your support and generosity.

The PGL visit for the Year 5 and 6 children has been a great success and the children met some challenges they thought they would not be able to manage! A huge thank you to the staff for taking them and we hoped they enjoyed it as well, despite being a tiring time for them.

A big thank you to all the parents who attended Mrs Bucksey's Maths Workshop. The feedback has been very positive and the sessions appear to have helped parents to have greater understanding of the mysteries of maths and calculation. The documents, games and ideas that Mrs Bucksey mentioned are all available on the school website on the Curriculum Pages.

Mrs Bucksey has also set up a new 'Times Table Challenge' for the whole school and the children will be bringing their challenge home with them each week. Information about these Challenges are also available on the website.

We hope you all have a lovely holiday break and look forward to seeing the children at the start of Term 2 on Monday 30th November

Ursula Scott

Super Learning Power Certificates

29 September 2017

6 October 2017

13 October 2017

Red Super Solver	Sienna Mussard, Charlie Strange, Mustafa Rashid, Louis Handy	Emma Craven, Anna Barry, Lara Blackmore	Albie Johns, Katie Scrivin, Benjamin Elliot, Charlotte Clayton, Lucy Barnard, Daisy Jenkinson

Purple Super Thinker	Jacob Gingell	Alex Stevens, Lily-Grace Ebbs	Hermione Ferris
Green Super Bud	Eleanor Cole, Hayden Hiscocks	Danny Broomfield, Patrick Woodville, Finn Macklin	
Orange Super Star			Xavier Atkinson

PGL 2017

On Tuesday 10th October Peace and Trinity class took a three night trip to PGL Liddington.

As we arrived, everyone excitedly walked off the coach to collect our bulging bags. Our leader, Jess, introduced us to the PGL site.

The dinner hall was great, and so was the food. Over the days we completed ten activities: zipwire, canoeing, problem solving, abseiling, raft building, sensory trail, quad biking, crate challenge, orienteering and archery, and three evening activities, ambush, wacky races and campfire. There were a lot of wet clothes after canoeing and raft building.

At around 1pm on Friday our coach rumbled down the road and parked outside the hotel building. We were sad that our trip was over but everyone was glad to see their parents once again.

By Zac Broomfield

Years 3 and 4 Tag Rugby Festival

Our first match was against Malmesbury School and Jasper scored the first try, we won the match 2 – 1. Our second game was against St Josephs School, William started with the ball and passed to Lara, we drew 1 – 1. For our third game we played against Crudwell School and Daisy Ellis started the match which we won 2 – 1, it took a lot of effort. Our final game was against Minety School and unfortunately we lost 2 – 1.

We had a great time and finished off the day with hot dogs.

GAME CHANGERS

FOUR MORNINGS OF 'GAME-CHANGING' FUN FOR 5-11 YEAR OLDS WITH SONGS, GAMES, BIBLE STORIES, VIDEOS, QUIZZES AND CRAFTS

TUESDAY 24TH - FRIDAY 27TH OCT

Thank You

Thank you to all who donated food for harvest. It is greatly appreciated.

Wednesday 18 October	TD Day
Monday 30 October	Term 2 Begins
Tuesday 31 October	Parents Evening
Thursday 2 November	Parents evening
Friday 10 November	FOSBS cake sale (years 5 and 6 donations)
Thursday 23 November	Parent forum

Does your job involve the sciences?

If so, we would love to hear from you. We are looking for volunteers to come in and talk to our children to help them understand how science is all around us and is used in a wide range of jobs.

If you could spare half an hour to come and share your experiences, please contact the school office.
Thank you ☺
