October Newsletter

The last seven weeks have flown by. We are now preparing for the harvest festival, singing autumn songs and the summer break seems like a very distant memory. Over this busy half term we have welcomed people from the local community into school for various reasons. The Macmillan coffee morning was a great success and your generous donations and cake buying managed to raise £145.42 for the charity. The clothing collection also managed to raise £25 for the school funds so again, a big thank you for your support.

Our new reception starters in school have settled in extremely well and are busily getting on with school life. The children are already making great contributions to the school community and bring a smile to our faces every day. The school phone app is proving to be very popular with over 100 users at the moment. School menus, newsletters and calendar dates are all available via the app. Thank you for your feedback on the service and we will continue to make improvements as we go along.

It was lovely to see parents and carers over the two meeting evenings recently. Your wonderful comments on the feedback slips and in the books have been passed onto the staff and it is a great way to know what you think of your children's school.

Useful dates for your diary.
