

Bisley C of E Primary School

Everyone Successful Everyday

Dear parents/carers,

We appreciate that choosing the right school for your child can be a tough decision. There is so much information out there about different schools including information the schools publish themselves, Government league tables, Ofsted reports and word of mouth from friends and family. It can become quite tricky to decipher the information and work out what is right for you. If you are looking for a Reception place we understand that this is also often a very emotional time for parents; a time of new beginnings and changes. We are here to support you through this time from your initial visit through to your child's first day at school.

As we are a growing school we currently have spaces from Reception to Year 6. If you are looking for a school place for next September or now I would encourage you to come and visit us. We would be delighted to give you a tour of the school and the opportunity to have a chat with me or a member of the Senior Leadership Team. We know how important this decision is for you and that is why we operate in an open and honest manner. We are keen to share with you our plans for the future as well as our current and past successes. No question is too small or silly and we encourage potential parents to query anything that is unclear.

The most important thing you need to know about our school is that the pupils are at the centre of everything. **Every decision is made with the pupils' best interests at heart.** We strongly believe in educating the whole child; the head, the hand and the heart and we want every child to leave Bisley being the best they can be. Not just the best academically, but leaving being the best all rounded young citizen ready to take on the challenge of the world; ready to embark on a job that may not have even been invented yet.

Please do come and see us, we would be delighted to show you around.

Kind Regards

Mrs C McConnell

Headteacher
