who each celebrated their birthday this week.

Parent's Evening Thank You

Many thanks to those parents who attended open afternoon and parents' evening on October 16th, 17th and 19th.

It was wonderful to see everyone and share with you the children's achievements and talk about their progress. Parents' evenings help you to become better involved in your child's learning. It also helps you to give your child good, practical support. When schools and parents work together, children do better, so thank you once again.

Outstanding Work

Each week I would like to celebrate an outstanding piece of work from one of our classes. This week's piece of work is from Year 5. Both Veronica and Harry B worked hard to create a rap about the Ancient Greeks in English, which they performed for me. They both used their growth mindset skills to work together and persevere to create a rap with rhyme, rhythm and vocal expression. Well done to them both!

Agora Balances

Thank you to all of our parents who have supported the school as we changed to use the SIMS

Agora payment system. The feedback has been very positive with parents saying they feel it is convenient, flexible and much easier than trying to write cheques and find the right change at the last minute.

Please remember to keep an eye on the balance of money that you have for your child's school lunches. Payments can be made online whenever and wherever you like, 24 hours a day, 7 days a week - all you need is a PC and access to the internet.

Hazelmere Infant School Firework Display

Hazelmere Infant School will be having a Professional Firework Display on Friday 3rd November 5pm – 7pm. There will be refreshments, fun rides and much more. Ticket prices are £4 in advance and £5 on the gate. Tickets will be available on our school playground on Tuesday 31st October after school.

Showing a Growth Mindset

Last week these children demonstrated the important characteristics of a Growth Mindset in their classes. They were rewarded with a green Growth Mindset medal which they have worn this week. Congratulations to each of them.

Reminder for Year 6 Parents

Just to remind you that the closing date for applications from parents of Year 6 children for a secondary school place in Year 7 from September 2018 is 31st October 2017. Applications can be made via the website www.essex.gov.uk/admissions.
