

# International Day

## 9th November 2017

Dear Parents, Carers and Friends of Holy Trinity

We would like to remind you of our international breakfast celebrations on Thursday 9th November, 2017.

On the day children are invited to bring snack type foods of their heritage. This will be shared in your child's/children's class as an international breakfast.

It will also be a mufti day so children are encouraged to wear clothes that reflect their proud heritage or show their national colours.

**Please remember that football jerseys will not be considered international wear.**

### International Evening Celebration

We are privileged to have lots of live music and a chance to celebrate the amazing projects the children have done. It will be a fun night of artistic entertainment but the night will only be great with you there!

Tickets for the night cost £5 per seat plus £1 for creche. Please purchase these from the school office. Start Time: 7pm. **Food will also be on sale from 6.30pm.**

**We are really looking forward to having you celebrate with us.**
