Parent/Carer Consultation Evenings

Earlier this week we held our first parent/carers consultation evenings. The children who helped to chaperone parents and carers on both evening, did a brilliant job. Many thanks for your hard work.

Hazel class parent/carers consultation evenings will be held on the 7th and 8th November (appointments time stay the same).

Elm class parent/carers consultation evening will be held on the 8th November.

Apologies for any inconvenience caused with these changes. Also, many thanks to those of you who sent your best wishes to Mrs Greenway.

Children In Need

We will be fundraising for Children In Need on Friday 17th November. The children can come to school wearing non-school uniform or any type of fancy dress for the day, and bring a £1 donation.

This year we felt that it would be a good idea to have a craft competition rather than a 'Bake Off'. As such children and adults can create a Children In Need themed craft item. Our judges will decide on winning entries and there will be prizes. All craft entries will be sold and the proceeds go to Children in Need. Refreshments will be available, so please join us for a drink and a chat in the morning of the 17th November.

Contact Details

A new contact details form has been sent to you today. Please fill in and return to the school office by Monday 30th October, many thanks.

KS2 Inspire Day

On Friday the 13th we held our key stage 2 Inspire day. It was a successful morning and nice to see so many parents/carers coming into take part. "We studied David Hockney a landscape artist and pixel art which is digital pop art." Ellen Murray

Harvest Festival

Children in Elm and Fir class walked to All Saints in Findern to celebrate Harvest Festival last Thursday. The children sang some lovely Harvest themed songs, read poems and prayers. The church was so full of friends and family, which was wonderful. Thank you for joining us to celebrate Harvest this year. Also, many thanks to everyone who donated to the Padley Centre for the homeless. We welcomed the CEO of the Padley Centre in school last week. He spoke to the children about what happens to our donations and how the Padley Centre helps those who need it most.
